

CAPABILITIES STATEMENT

OSC Rentals

"When the pressure's on, we show up ready."

COMPANY OVERVIEW

At OSC Rentals, we don't just rent equipment. We deliver jobsite solutions built to perform in the toughest environments. From drilling pads to pipeline projects, our fleet is field-tested and ready when you are. Backed by responsive support and fast delivery, we help you stay on schedule, stay safe, and stay productive.

CORE COMPETENCIES

- **24/7 Equipment Rental & Field Support** - Round-the-clock availability and rapid mobilization for concurrent, multi-site jobsite demands.
- **Heavy Earthmoving & Site Equipment** - Dozers, excavators, wheel loaders, motor graders, backhoe loaders, and skid steers for construction and site preparation work.
- **Aerial Lifts & Material Handling** - Articulating and telescopic boom lifts, scissor lifts, forklifts, and telehandlers for elevated-access and material-handling tasks.
- **Power Generation & Air Compression** - Portable and towable air compressors, generators, and light towers for continuous jobsite power and lighting.
- **Fuel Supply & Field Support Infrastructure** - On-site fuel systems, command centers, man trailers, cooling and breathing stations, safety trailers, and portable restroom and shower units.
- **Heavy Haul & Logistics Support** - Haul trucks, winch trucks, heavy-duty pickups, and equipment trailers for equipment mobilization and site logistics.

DIFFERENTIATORS

- **Established, Full-Scale Operation** - Eleven years in business with a workforce of 200 supporting rental operations.
- **Depth of Owned Fleet** - More than 35 distinct equipment categories owned and maintained in-house, reducing the need to coordinate multiple vendors on a single site.
- **Purpose-Built for Oilfield Deployment** - Fleet configured for drilling and pipeline job sites specifically, including portable power, fluid handling, fuel supply, and crew support units, rather than general-purpose rental stock.
- **Certified Safety & Compliance Program** - Drivers, mechanics, and sales staff hold H2S Awareness, Safeland/PEC, Stop Work Authority, Bloodborne Pathogen, First Aid/CPR, Fall Protection, and Defensive Driving certifications; CDL drivers carry FMCSA Hazmat endorsements where required.

PAST PERFORMANCE & RELEVANT COMMERCIAL EXPERIENCE

Municipal Equipment Support (Subcontractor) - Equipment rental support delivered as a subcontractor on city government contracts in Texas. *Date: Pending | Value: Pending*

Ongoing Oilfield Equipment Support (Commercial) - Multi-year rental support for oil and gas operators across concurrent drilling and production projects. *Date: Pending | Value: Pending*

County Fair & Public Event Equipment Support (Commercial) - Equipment rental support for county fairs across Texas. *Date: Pending | Value: Pending*

Key Personnel Experience - Fleet manager holds OEM and industry training including Caterpillar advanced lift truck and fleet management credentials, United Rentals management development and financial training, Godwin Pumps and Rain for Rent dewatering/filtration certifications, and forklift and manlift trainer certifications.
